

## EXHIBIT 5-G

### APPLICANT SUMMARY SHEET

**Background:** Employment recruitment records should include a summary of the number of applicants for each position relating to the CDBG Program, and the number of applicants who are minorities, women and handicapped persons. **Chapter 5: pages 5-15, 5-16, 5-33 and 5-34.**

| CDBG Position | Total # of Applicants | # Minority Applicants | # Women Applicants | Handicapped Applicants |
|---------------|-----------------------|-----------------------|--------------------|------------------------|
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
|               |                       |                       |                    |                        |
