**February 2014**

**This consultant directory was developed to assist Montana local governments, communities, schools and citizens in financing and managing community projects. The directory will also help consulting grant writers and administrators to network with their colleagues across Montana.**

**Disclaimer**

**The State of Montana does not regulate or license grant writers and administrators. Publication of a firm in this directory does not constitute an endorsement of the firm by the Department of Commerce. Before hiring a consultant, you should thoroughly evaluate the experience, qualifications, references and reputation of each firm under consideration.**

For further information about procurement, or to have your firm added to the list of grant writing and administrator consultants, contact:
